Luis Montes de Oca

Junior Full Stack Developer · React · Node.js · MongoDB

Madrid · luismonteswebs@gmail.com · English: B2.2
☞ **Portfolio: https://luismontesdeoca.vercel.app/**

PROFESSIONAL PROFILE

Junior full stack developer with real client experience and a personal project in production. I build React interfaces and Node.js APIs connected to MongoDB, and I deliver complete websites from start to finish.

PROFESSIONAL EXPERIENCE

Web Developer · AwakeLab

March 2026 – June 2026

- End-to-end development of an order management platform: React frontend, Node.js backend and MongoDB database.
- Platform in production with 22 key features, used daily by the company. Business logic and interface.
- Git and GitHub workflow, with AI support in VS Code and review of every change.

Web Developer · Freelance

October 2025 – July 2026

- Website development for real clients with HTML5, CSS3, JavaScript and React, with a focus on performance.
- Complete WordPress websites alongside a self-employed professional, responsible for the final product.
- Local SEO and GEO positioning; client database management.
- GitLab workflow and deployment on Cloudflare.

Web Developer (Internship) · LaPrimeraWeb

September 2024 – June 2025

- Creation of websites with HTML5, CSS3, JavaScript, WordPress and PrestaShop for real clients.
- Task automation with ChatGPT and DeepSeek agents, and social media automation with Make.
